

# “Gift” a Wish! Spread Your Love This Festive Season

From now until 31 December 2015, for every single wish card that you hang onto the Christmas tree in Plaza Premium Lounge at Hong Kong International Airport, Plaza Premium Group will donate HK\$5 to Heep Hong Society to help children with special needs to reach their full potentials in a healthy environment.

You can also donate your spare change to the box next to the Christmas tree to show your love, care and support.
