FROM OUR FAMILY TO YOURS

AT PLAZA PREMIUM GROUP, WE TREAT OUR FELLOW TRAVELLERS LIKE FAMILY. OUR PASSIONATE TEAMS SHARE HOW THEY CREATE ENJOYABLE AIRPORT EXPERIENCES.

1. "Our Plaza Premium Lounge locations at London Heathrow are the perfect retreats from the bustling airport terminals. Grab a comfy seat, enjoy the reading materials, enjoy a delicious feast, and leave entertaining the kids to us." - **Amin Amin, General Manager, London**

2. "Allways Meet and Greet brings a human touch to the airport experience. It's natural to be worried when one's children or elderly parents are travelling alone, but our team strives to create a secure, seamless airport service to look after your loved ones until you receive that "I'm home" phone call." - **Mohan Limbu, Regional General Manager, India**

3. "Our team is very flexible with family travellers. So come in, grab a high-chair, settle your kids, and let our experienced chefs whip up yummy treats for them, because at Plaza Premium Lounge Brisbane, we aim to create memorable stays." - **Cherry Wang, Lounge Manager, Plaza Premium Lounge Brisbane**

4. "At Plaza Premium First, we have all your needs covered. Our little guests get a first-class experience with a kid-friendly à la carte menu with special mocktails, cutlery, colouring tools, baby changing rooms, and family-friendly staff." - **Anil Gurung, Duty Manager, Plaza Premium First Hong Kong**
