1. "Butter Chicken Masala is a combination of authentic masala paste along with roasted tandoori chicken. This is one of our signature Diwali dishes. May the spices and subtle flavours from this Indian delicacy illuminate your airport experience. Happy Diwali!"

Husni Ibrahim, Acting Food & Beverage Manager, Plaza Premium Group, South East Asia

2. "With the holiday season fast approaching, it has given the Plaza Premium Group DFW team time to reflect on what is most important when it comes to this time of year. I find myself thankful for such wonderful team members, who put the needs of others before their own. They show up daily, with their servant's heart, to ensure that the passengers who we serve, depart feeling that their travel has been made better."

Richard LeBouff, General Manager of Plaza Premium Group, Dallas Fort Worth

3. "Christmas is a time when we see lots of families travelling for the holidays and nothing means more to our team than to bring our guests warmth and heartfelt hospitality. We try to create something for everyone in the family, from our special Arctic cocktails to our Playroom, where we provide durable and safe wooden toys that encourage children to learn."

Emre Cakir, General Manager of Plaza Premium Lounge Helsinki

4. "We recently celebrated Saudi National Day at Plaza Premium Lounge Abu Dhabi with the Saudi Airlines team and passengers. We decorated the lounge with Saudi Arabian flags, prepared native Saudi delicacies and had a lovely cake cutting ceremony. It's always a great pleasure to host guests in our lounge and to be a part of their joyful celebration. We always take the effort to go an extra mile to make our guests happy."

Omar Khmir, Senior Duty Manager, Abu Dhabi, UAE
