Plaza Premium Group and marhaba Forms Partnership to Enhance Airport Hospitality Experience Globally

Hong Kong, 16 December 2020 – Plaza Premium Group and marhaba have formed a strategic partnership to enhance their offering of airport lounges and meet and greet services around the world. The partnership will see the two companies expand market presence by consolidating service distribution and customer engagement through integrated cross-selling capabilities.

The partnership will initially cover major airports in strategic markets across Asia, the Middle East and Europe. The two companies are committed to further expanding their cooperation over the coming years with plans to make joint investments in services and facilities.

Shahab Al Awadhi, Head of marhaba Global, said: “We are thrilled to join forces with Plaza Premium Group to offer travellers more value and a broader range of options to improve their travel experience at a time when quality and safe hospitality services play an increasingly important role at airports globally.

“marhaba and Plaza Premium share the same values and passion for service excellence and safety. This strategic partnership will enable us to significantly enhance our offering and expand our footprint, while leveraging experience and synergies. Bora Isbulan, Chief Commercial Officer, Plaza Premium Group said, “This strategic alliance brings together the best of two industry leaders in airport hospitality in terms of expertise, talents and service network. While the travel industry is currently evolving rapidly, our collaboration is especially crucial now when the industry must unite to achieve operational efficiency, consolidation of resources, optimisation of distribution and ultimately, offering a better experience for global travellers.”

marhaba and Plaza Premium Group are renowned for providing excellent airport experience including airport lounges – namely marhaba and Plaza Premium Lounge - and meet and assist services – namely marhaba and ALWAYS- to all travellers. Since the pandemic started, both brands have implemented a number of measures to ensure the safety and wellbeing of customers and staff.

marhaba, which means 'welcome' in Arabic, was launched in the UAE to help passengers arriving in or departing from Dubai International Airport. The popularity of meet & greet services has grown exponentially in line with Dubai's growth as a major international travel hub, and marhaba has continually expanded its product offering with a growing list of services and extra options designed to make the passenger airport experience as comfortable as possible.

marhaba started to expand its global footprint in 2017 by opening new airport lounges in Karachi (Pakistan) and Melbourne (Australia). Since then, it has opened two additional facilities in Singapore and Manila (The Philippines) and substantially increased the capacity of its airport lounges in Dubai. marhaba now operates airport lounges in six countries providing service excellence to passengers with a team of over 800 customer-oriented employees.

The marhaba brand is part of dnata, one of the world's largest air services providers. A trusted partner of over 300 airline customers, dnata offers ground handling, cargo and catering services at 126 airports in 19 countries.
