Hong Kong --- 2 September 2025 — Plaza Premium Group (PPG), the global leader in integrated, 360-degree airport hospitality experiences and passenger service solutions, announced the opening of Aerotel Shanghai at Terminal 2 of Shanghai Pudong International Airport. Aerotel offers a unique airport transit hotel concept, strategically located in either airside or landside of major international airports. The debut of Aerotel at Shanghai Pudong International Airport (PVG) introduces an enhanced level of convenience and comfort, offering travellers a pre-flight oasis to rest, recharge, and refresh—right inside the terminal.

Designed with today's diverse travellers in mind, Aerotel Shanghai offers 82 rooms, with flexible hourly booking options catering to the unique needs of transit, departure, and arrival passengers, making it the ideal retreat for those navigating long-haul journeys or layovers. The hotel features a variety of thoughtfully appointed rooms for solo guests, couples, and families with a select number of rooms also offering runway views. Each room is equipped with high-speed Wi-Fi, handpicked mattresses and pillows, invigorating hot showers, and complimentary amenities to ensure a restful stay.

The launch of Aerotel Shanghai further strengthens PPG's global service network. This entry also marks the Aerotel brand's first presence into Shanghai, a major international aviation hub, bringing travellers an unprecedented level of convenience and comfort.

Strategic Move into an International Hub Strengthens Global Service Network

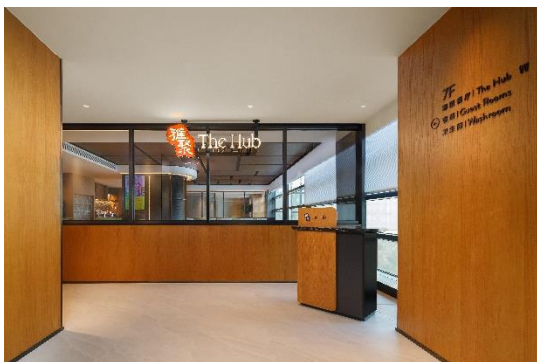

Aerotel's debut in Shanghai marks a significant milestone for Plaza Premium Group, strategically expanding its global service network at one of the world's leading aviation hubs. Shanghai Pudong International Airport (PVG), renowned for its high passenger volume and extensive flight connections, serves as a vital gateway between China and the world. The launch of Aerotel Shanghai is a targeted initiative to deliver premium airport accommodation for international travellers. It caters to a range of needs from transit and layovers to departures and arrivals, further enhancing Shanghai Pudong International Airport's service standards and competitiveness, and becoming a crucial part of Plaza Premium Group's global network.

of the airport's traveller accommodation services, the hotel provides a seamless "zero-transfer" lodging solution, allowing guests to enjoy comfortable stays without the need for additional transportation. Alongside premium in-room amenities, the new Aerotel also offers a variety of dining options and public spaces accessible to all passengers.

The Hub, located on the 7th floor, features both buffet breakfast daily and à la carte options to satisfy every palate. It is adjacent to a serene rooftop garden lounge, where travellers can enjoy a welcoming space to unwind. On the 6th floor, the Grab and Go area provides convenient, 24-hour snacks for those on the move. The hotel also offers a co-working space, resting room, and luggage storage for all guests to accommodate various needs.

Celebration of Aerotel Shanghai's First Guest

To celebrate this important moment, PPG held a simple yet warm ceremony in the lobby of Aerotel Shanghai to welcome the first guest. Ms. Zhang Xiaoping, General Manager of PPG China, was present at the scene to extend a warm welcome to the fortunate traveller on behalf of the group. Ms. Zhang Xiaoping presented the first guest with a carefully prepared welcome gift and delivered an enthusiastic speech: "Today is an important milestone in the development of Plaza Premium Group and the Aerotel brand! We are very proud to present the tenth Aerotel airport hotel in the world and the first one in a core gateway airport in Mainland China to the travellers of Shanghai Pudong International Airport."

Aerotels Worldwide

To date, Aerotel has established locations in 10 cities globally: London, Singapore, Kuala Lumpur, Cebu, Qingdao, Sydney, Rio de Janeiro, Muscat, Jeddah and the latest in Shanghai—offering 635 rooms in total. This new property will mark Aerotel's tenth global location and its second in Mainland China. Aerotel Muscat (landside area) will be the 11th Aerotel and the second in Oman, which is slated to open in December 2025. It will feature an indoor swimming pool, wellness, and a food & beverage outlet.
